

Come ...

into the soft rain of the Word,

into the breezes of the Spirit,

into warmth of the Son.

It's time to retreat into Jesus,...

to leave work schedules and school work,

debts owed and relationship woes...

worries, fears, and burdens. ..

and run into the heart of Jesus.

To walk with God like Enoch did, and simply be taken up into His place.

To go behind the veil like David did and see God's beautiful face.

To set your heart on things above and not on things below.

To cry out and pour out and press in and seek

To listen and ponder and savor and weep.

To know Him, to hear Him, to rest in His love

To spend precious time with Jesus is why we are coming to this retreat!
